Summary:

A hard working, dedicated team player who values communication, diligence, and consistent attention to detail. Experience working in fast-paced, deadline-driven environments, and can easily adapt to changes. Comfortable working within close-quarters work environments, spatial awareness is a constant. My goal is to build a career within the cannabis industry.

Skills:

Cannabis flower manicure, bucking, packaging, cannabis cultivation, clerical, computer, custodial, fine dining, food & beverage, customer service, recruitment

Floral Specialist at Cubcity LLC

Santa Rosa, CA
06/18-CURRENT

Duties: Hand-manicuring cannabis flower, cannabis cultivation, and packaging cannabis. I work full time for Cubcity, and have fine-tuned my skill in manicuring flower. I am learning more, and more, every day about: efficiency, productivity, ergonomics, cost, business, the cannabis industry, management, work-scheduling programs, and of course cannabis itself. I sometimes work at Cub City's sister location--Floracal.

Independent Contractor at People Need People

361 S Main St, Sebastopol, CA 95472
(510) 846-0366
07/17 - 06/18

Duties: Hand-manicuring cannabis flower, cannabis cultivation, and packaging cannabis. As a temporary labor agent, I worked at several facilities for PNP across the bay area, and north-bay area. I obtained experience in just about every outlet of ground-level cannabis. As well, I helped as a recruiter, and hired on more than 15 workers throughout my employment.

Retail Associate at Bennet Valley Gardens

2780 Yulupa Ave, Santa Rosa, CA 95405
(707) 569-8624
02/17 - 07/17

Duties: Clerical, planting, plant watering, plant manicuring, live floral arrangements, plant feeding, basic labor, landscaping, and inventory. I tended to thousands of plants, of different varieties. I learned a considerable amount about botany, horticulture, plant nutrients, fungicides, pesticides, herbicides, soil-science, predatory insects, etc.
I am proficient in plant identification, garden pest identification, fungal, mold, systemic, etc.
